**ST. JOHN**

AT THE INTERSECTION OF FAITH AND LIFE

15800 Manchester Road. Ellisville, MO 63011

St. John is all about saving the lost and strengthening the saved to live bold and courageous lives of Christian witness before a non-believing world. We do this as a church by striving to be culturally relevant, Biblically sound, and outwardly focused.

**We are culturally relevant.**

To impact a culture, you have to connect with it. God is a huge fan of cultural relevance. Do you realize that this is even how Jesus did it, he was culturally relevant? Jesus became one of us before forever changing the world. God came down and walked with us, talked with us, lived with us, spoke our language, laughed with us, cried with us, went through it with us, so we could get it! See, when the message is this important, you have to do all you can to be sure people get it. You have to find a way to make it applicable, pertinent, practical, and most importantly, relevant.

**We are Biblically sound.**

The point of the Bible is to help us know God, to know his desires for us, and to trust him for everything we need. The Bible is powerful because it shows you who God really is, and what he wants for you (not from you, but for you). And because it's the truth, it's inherently powerful. Always. To ignore Scripture, to avoid it, that's pushing the self-destruct button on our lives, our families, our society.

**We are outwardly focused.**

See "Every minute of every day as an opportunity to live as God's representatives in the world." Not only do our neighbors need our service, but we need it. We were made for it. When you see a need around you, chances are that God means for you to do something about it. When you ponder your social and financial resources, skills, and abilities, you'll find that you've been given more to meet needs than you ever thought possible. Rather than swooping in to try to fix people or situations, we serve best when we take time to find common ground with those we are being called to serve, walking in their shoes, just the way Jesus did for us. People's lives may be more broken than we thought. But in these moments, God calls us to "press into the mess" rather than pull away.

Thanks again for all you HAVE DONE and all you WILL DO to promote Christian love and the good news of salvation through Jesus our Savior. He is why we exist. He is our reason for life.

God bless and keep you and those you love!

P.S. Please enjoy this free Directory and make good use of it. I prefer businesses not use it to solicit those included here via direct-mail or phone-campaigns. I will trust you to use it appropriately. I am certainly not anti-business. We are grateful for the many people who have paid for advertising to make this free Directory possible. I urge you to use the businesses represented here, and if they are helpful, encourage others to frequent their businesses also. But mostly, this Directory is for person-to-person contact. We hope you use it to encourage and help each other along life's journey. People are not meant to go through life alone.

We do our best to make sure that the information about our staff, our ministry and our people is accurate. Sometimes a number or two gets transposed and people get frustrated. If you discover anything that is incorrect please notify the church office at 636.779.2300 so we can correct it in our database for future reference.
