# Cougar Partner Benefits

**God is using businesses all across the St. Louis Metro area to support the work of St. John School.** Businesses that join us as partners will see their donation have a direct impact on St. John students, as all the business donations will help keep our annual school tuition at an affordable rate while keeping our overall standards competitive. Your support of the Cougar Partner program will provide tuition assistance and help advance our Christian school. In return, we will acknowledge your business with a special logo and recognition in our Fun'Raiser Golf Scramble in September, our Trivia Night event in January, and our Annual Auction in March.

God can use your business in a powerful way to build up St. John! To thank you for your generosity to our school community, we will provide a variety of benefits to our partners, which will help promote your business and enhance your exposure to school families. **If you are interested in becoming a Cougar Partner, please contact Debbie Linam by email, [debbielinam@sbcglobal.net](mailto:debbielinam@sbcglobal.net), or call the school office at 636-779-2325.**
