

St. John School STUDENT DRESS CODE (K-8)

God reminds us that all things are to be done decently and in order. The Scriptures lay before us the thought that whatever we do should be done to the glory of God. St. John School adheres to a standardized dress code for students to maintain pride, give a positive impression, and reduce competition and peer pressure.

Just Me Apparel and Lands' End carry all of our dress code requirements with the exception of the St. John logo sweatshirts and school P.E. uniforms. You can obtain a logo uniform sweatshirt by ordering from the PTL Spirit Wear collection. P.E. uniforms are just for 5-8th grade and are handled by the P.E. staff, who send out order forms to middle school families. To maintain consistency of style, color, and quality and to simplify selection, we recommend that families purchase all dress code items from these vendors. Be sure to use our School Code when ordering from Lands' End, as your purchase earns 4% for the school.

St. John School also offers a resale program for dress code apparel where you may purchase gently used clothing for your child. Resale shop items are available any time during the school day. Please contact the school office for more information.

Clothing purchased anywhere else must match the approved quality, colors, and styles. We realize that with the growing popularity of school uniforms, many manufacturers and retail stores are carrying more variety. They are not all consistent with the St. John approved standardized dress code. We recommend that you check with the office if you have questions regarding a purchase.

Consequences

As a parent of St. John School, we expect that you support the dress code policies in choosing to send your child to school. It is expected that you review your child's dress prior to leaving home each day. If your child comes improperly dressed to school, you can expect a note/email informing of the dress code violation. With repeated violations of any kind, parents can expect a phone call to bring proper dress code attire to school for your child. Noncompliance could mean that your child may face additional consequences. If there are any times the teacher feels your child's dress choices are a distraction, you will be notified.
