

## Why St. John School?

- We offer an excellent Christian education for your child.
- You want to be in community with others who share your values.
- Our school is a safe, peace-filled and joyful place.
- Your child will have the opportunity to excel in athletics and the arts.
- At St. John School, we balance digital screen time with people face time.
- You want your child to be ready for high school—mind, body and spirit.
- Students are challenged and loved, held accountable and given grace.
- St. John School is an exceptional value—Your family will get more than you anticipated for the tuition.

WE ARE STJS

STJS PROUD

St. John, founded in 1851, has a long and rich history of providing for the intellectual, spiritual, physical and emotional development of young people. We know we are not just teaching students; we are preparing future adults. Today, through our Early Childhood, Elementary and Middle School programs, we are equipping nearly 400 children to be tomorrow's servant leaders.

“ From the preschool teachers, to the current Middle School teachers, all have been instrumental in our son's educational journey. All of the teachers at STJS really try to learn and understand our child as if he was their own. One of the most obvious reasons we send our son to STJS is because of the teaching/learning of faith. We know he will continually grow in God's faith and have a solid foundation of our Lord when he moves on to High School. He is a typical sixth grade boy but has learned how to make decisions with God in mind and to let God guide him through tough decisions. ”

# A SNAPSHOT

ST. JOHN SCHOOL

EXPERIENCE STJS

“ We've been so impressed by all teachers and staff, at each grade level, throughout our entire St. John experience. We are thrilled to be a part of this unique environment, balancing hands-on academics with the spiritual development that we feel is essential in our children's lives. ”

# Graduating With A Strong Foundation

“St. John provided a strong Christian foundation from preschool through eighth grade which enables me to stand firm in my beliefs. This has helped me make a smooth transition into large public high school and build solid relationships with my teachers and peers. I also feel comfortable in leadership roles due to the example set by the St. John teachers.”

*Taylor Rehmus, St. John Class of 2012*

“St. John is truly outstanding when compared to other schools. Coming into high school, I felt very prepared and confident in my academic abilities. As I head off to college, I feel prepared academically, but most of all my faith is set strong because of St. John.”

*Sam Hensel, St. John Class of 2009*

## Students Experience:

### Spiritual Growth

- Daily prayer and exposure to God's Word
- Weekly Chapel worship
- Service opportunities

### Academic Excellence

- Focus on 21st century learning skills - Communication, Collaboration, Critical Thinking and Creativity
- Encore classes in the arts, foreign language, and physical education

### Leadership Development

- Professional Christian faculty dedicated to the personal character development of each student
- Worship leadership
- Intentional leadership programming and experiences equipping students for success at STJ and beyond

### Quality Learning Environment

- Strong sense of community and belonging
- Technology accessibility in all classrooms including a BYOD program
- Experiential field trips

## Partnering With Parents

“It is such a privilege to have St. John School partner with us as parents to not only provide an excellent Christ-centered education for our children, but also nurture their relationship with God. We feel the faculty and staff genuinely care about our children and continue to keep their best interest in mind in preparing them for the future.”
