NEXT

NEXT: Lean in, Step Up, Break Out

After a season of “leaning in,” we are now in a time to step up. God is allowing us to do something that few people get to be a part of, something few churches are healthy enough to do. The sacred opportunity is before us, now it's time to take hold of it.

The 3 Overarching Goals of NEXT:

Pursue People Like Never Before

Stretch ourselves to do even more of the life-changing work we're already doing.

Mobilize the Next Generation of World Changers

Raise the next generation of world changers. We believe they will one day dwarf our contributions in bringing Jesus' wholeness to our broken world.

Take Our Campus to the Next Level

We've been entrusted with an incredible campus where life-changing work happens, and it needs to communicate to our community and guests our identity as a thriving, welcoming, and relevant place.

If you want to know more about NEXT, contact Jeff Cook at jcook@stjstl.net or 636.779.2306 or visit our website, stjstl.net/next
